verse 2

Voice

Be-cause I be-long to a cer-tain group, I was con-vict-ed with-out e-vi-dence But be-  
 cause your group kept the pres-sure on I was tried, and then re-leased.

verse 3

Voice

Be-cause I mere-ly wan-ted to leave I sud-den-ly dis-appeared But be-  
 cause your net-work spread the word a-round I was found, and then re-leased.

free people

Because I said something to a friend,  
I was taken behind closed doors;  
But because your letters kept slipping through  
The torture stopped, I was released!

We're free people trying to free people  
We need people everywhere to help people everywhere  
To be free--you're free--to help make me free too.

Because I belong to a certain group,  
I was convicted without evidence;  
But because your group kept the pressure on  
I was tried, and then released!

(chorus)

Because I merely wanted to leave,  
I suddenly disappeared;  
But because your network spread the word around  
I was found, and then released!

(chorus)

(over and over again until...!)
