

wonder

is this the way it is to be then
no farewell, no see you soon -
i still watch the moon and wonder,

wonder,

how ya doin -

why'd you go, you know i loved you
maybe that's the reason there,
even so, why are you silent
that's the hardest part to bear.

i still remember words spoken
and a promise in your touch -
cuz you know i'm such a dreamer,

dreamer,

hear the fool:

dawn together with a sun song
days of sharing never done,
nights entwining souls a tremble
art and love and us are one.

is this the way it is to be then
no farewell, no see you soon -
i still watch the moon and wonder,

wonder,

wonder -
