H W W

rit.

wish to god that you were here a lone with me too.

rainbow  
hanging soft in the air  
the dreams of my day  
disappear  
nighttime is near.  
and it comes  
so darkly  
kills my dreams  
completely  
a body needs another  
so to take, so to give

especially now  
when i'm lying here  
alone with myself  
i wish to god that you were here  
alone with me too.

glistening gossamer  
resting soft on my cheek  
the dreams of my night  
disappear  
daytime is here.  
and it comes  
so starkly  
kills my dreams  
completely  
a heart in ice  
a soul in isolation  
cannot live

especially now  
when i'm lying here  
alone with myself  
i wish to god that you were here  
alone with me too
